

# 19th Nordic Symposium on Catalysis 6–8 June 2022, Espoo, Finland

## Invitation

The Finnish Catalysis Society cordially invites you to participate in the 19th Nordic Symposium on Catalysis in Espoo, Finland 6–8 June 2022. The NSC conference series is a biennial event organized within the Nordic Catalysis Society framework.

The themes of the current symposium are:

- **Catalysis in the climate change mitigation**
- **Catalysis in the Nordic Countries**

The Symposium will be organized with plenary lectures, Berzelius lecture and parallel sessions with Nordic keynote lectures and accepted oral contributions as well as a poster session. Confirmed plenary speaker Prof. Gabriele Centi, University of Messina.

The aim of the Symposium series is to create a breeding ground for ideas by ensuring meetings between researchers and catalyst developers, from academy as well as industry.

## Venue

The Symposium will take place in Dipoli in Otaniemi, Espoo. Dipoli can be reached conveniently with metro. The journey from downtown Helsinki takes only about 15 minutes.

## Abstract submission

The deadline for submitting abstracts is 15 January 2022. More information can be found on the webpage.

## Conference fees

Before 31 March 2022: 550 EUR (450 EUR PhD student), after 31 March 2022: 600 EUR (500 EUR PhD students).

The conference fee comprises the welcoming reception, attendance to all sessions, lunches and coffee breaks and conference dinner.

## Conference proceedings

Selected contributions can be submitted as articles for publication in a special issue of the peer-reviewed journal Topics in Catalysis.

## Local Organizing committee

Res. Prof. Juha Lehtonen, Prof. Henrik Grenman, Dr. Elina Harlin, Dr. Mika Huuhtanen, Prof. Em. Outi Krause, Ms. Eveliina Mäkelä, Prof. Riikka Puurunen, Dr. Matti Reinikainen.
